

# HINDHAYES SCHOOL NEWSLETTER No 9

Friday 13th November 2009

## Victoria Club Entrance

We are aware of the problems caused by the large puddle near the back entrance and have taken steps to rectify the problem. On Tuesday 17th November the back entrance will be **locked all day**, all the children will need to be brought into school through the main entrance at the bottom of the lane. Mrs Barron and Mrs Honeywills' class will need to be collected in the main playground at the end of the day.

## Year 1 trip to the Rural Life Museum

Next Thursday the Year 1 children will be visiting the Rural Life Museum in Glastonbury. Please can all permission slips and money be sent into school by Monday. Thank you.

## Scholastic Leaflet

Accompanying this weeks newsletter is the Christmas scholastic leaflet. If you would like to place an order from this leaflet please return the order form with payment, **cheques payable to Hindhayes School**, to the office by **Friday 27th November**.

## Year 1 & 2 parents meetings

Year 1 and 2 parents have been invited to a meeting to find out more about the curriculum for this academic year. The meetings will be held on **Wednesday 18th November** at either **9.30am and 7pm**. If you have not already done so and would like to attend, please collect a form from the Reception area.

## Children in Need

Next Friday is Children in need, we are aware of financial constraints on families, particularly at this time of year so all children can bring a small teddy bear to school with a bandana on if wished. If you would like to donate any money we will collect pennies for Pudsey. This will involve the whole school covering a picture of Pudsey with pennies.

## Operation Christmas Child

Thank you for the donations received for Operation Christmas Child. The boxes will be taken to Stead & Simpson in Wells next week who will arrange collection.

## Foundation Information Meetings

Thank you to all the parents who attended the meetings this week.

## Victoria Club Lane

Please will all drivers who use the lane at the side of the school drive slowly in both directions. A number of families with young children cross at both the top and bottom of the lane and extra care needs to be taken particularly at the start and end of the school day and in adverse weather conditions. Please also do not stop to drop off at the top or bottom of the lane, this causes congestion and can be dangerous.
