At School This Week

NCPPC Circuits Fun!

Fun was had by all in the school hall on Thursday as the children completed a series of circuit challenges with the Full Stop from the NSPCC campaign. They skipped, hopped, threw, balanced, caught, aimed, and jumped their way through the day. Thank you to all the families who felt they were able to support the important work of this charity by sending their children into school in PE kit or by sending sponsorship. In Assembly on Monday we will present the money we have raised to the NSPCC.

Wow Box Day is on Monday. The children and teachers will find out what is in their Mystery box during Monday assembly and all learning will be linked to the items and stories/factual books in their box. Some of the experiences that the children have had so far include exploring Ancient Egypt, tasting Chinese noodles, exploring the problem of plastic pollution in our seas and painting like Van Gough! Which box will your child get next? Ask them about it at the end of the day on Monday to find out all that they have been doing!

At School Next Week

Safer Internet day is on Tuesday and children will be completing activities in class linked to staying safe when using computers and devices. If you have concerns about keeping your child safe on line then further information and help can be found at

Poem of the Week

February Promises

I like February for the
Hints that winter is going away.
He seems to whisper in my ear
That soon the birds will sing and play!
He tells me to get ready
For warmer days are on the way.

Lenore Hetrick
