

Mrs Nester's Home Learning Weekly Challenge: 4th May 2020

Over the last couple of weeks we have talked a lot about staying safe. At the moment we are all staying home to stay safe and to help the NHS. In school we are helping the children to stay safe by having only a few children in school, making them wash their hands frequently and keep their distance from each other. With so much talk about safety I thought it would be nice to have a Hindhayes safety mascot designed by one of you.

1. Talk about the things that we need to remember to help us keep safe when we are at home.

Name the mascot competition!

2. Think about the things that we need to remember to help us keep safe we are at out with our families or in school.

3. Design a character that you think the children and families at Hindhayes will enjoy having as our safety mascot.

4. Make a safety poster with a description of your mascot and what he might say to remind you to stay safe.

Finally send your safety posters into the school office so that one can be chosen for our safety mascot
