

Mental Health Team
2022-2023:
Supporting the schools
strand of Compassion

Working Together to ensure the emotional wellbeing of our whole school community	Member of Staff	In School Role	Mental Health Role	Training
	Kate Nester	Head Teacher/SENCO/DSL/PP Lead	Mental Health Leader of Leaders: Continue to drive a culture where well wellbeing and mental health weaves through the school community. Support a curriculum that is compassionate and creates compassionate pupils. Attend training and coaching sessions. Complete policy and review practice through e.g. the annual completion of staff and pupil questionnaires. Plan for continued whole school development in this area of school practice. Monitor and facilitate intervention for pupils and families through role as DSL, SENCO and pupil premium lead.	Mental Health Trained 2022
	Emma Plummer	Curriculum For Life/RE Subject Specialist Year 2 lead Teacher	Mental Health Lead: Plan and monitor the delivery of the areas of the school curriculum which are ensuring the teaching of knowledge and skills linked to e.g. the building of healthy friendships and relationships, consent, personal power. Work with the school council to gather and promote the implementation of pupil voice within the school curriculum. Champion the work of the head teacher within the wider teaching and learning team.	Mental Health Trained 2022
	Mike Sales	Business Manager	Mental Health Lead: Provide support for staff, which relates to the working environment, HR related issues, pay and conditions and employment. Ensure the wellbeing message of our school is communicated through the school website & e.g. the recruitment of new staff. Provide a link for staff at Elmhurst Junior School who may feel they would like to talk to someone outside of their setting.	Mental Health Trained 2022
	Matt Daymond	Classroom and Inclusion Teaching Assistant	Mental Health Lead: Support the Head Teacher with the provision of high quality, successfully managed interventions for pupils who require interventions linked to their wellbeing. Continue to look for up to date strategies which will support our pupil community to be learning ready.	Mental Health Trained 2022
	Bryony Keene	History Subject Specialist Year 1 class teacher	Mental Health Champion: Continue to support the embedding of the training provided by the whole school. Role model excellent practice in this area to colleagues & offer support to the mental health lead.	
	Theresa Edwards	Classroom Teaching Assistant	Mental Health Champion: Continue to support the embedding of the training provided by the whole school. Role model excellent practice in this area to colleagues and offer support to the mental health lead.	
	Ally Jones	Art Subject Specialist Year 1 class teacher	Mental Health Champion: Embed the use of funding acquired to support art and wellbeing e.g. £1,000. Provide wellbeing art sessions for identified pupils. Secure visits and visitors aimed at art and wellbeing.	
	Kath Honeywill	Forest School Leader Class Teacher	Mental Health Champion: Facilitate high quality forest school for pupils across the whole school. When planning and preparing consider children who have been identified within the school inclusion register for SEMH intervention. Work towards reaccreditation in 2022-23.	
All members of the team want you to know that we will be available to support the school community when required.
