## Using the Computer

**Information for Parents**

If your child has access to a computer at home there are endless resources to be found to help learning to become fun.

Try putting a key word into a search engine to find a wide variety of activities e.g "phonics".

The following suggestions are just a few sites that I have found to be especially good at supporting children's learning.

## Literacy:

**[www.starfall.com](http://www.starfall.com)**

American site great for learning initial letter sounds and then moving on to sounding out words. Simple stories to read with interactive pictures.

**[www.bbc.co.uk/schools/wordsandpictures/phonics](http://www.bbc.co.uk/schools/wordsandpictures/phonics)**

Wide range of reading & spelling activities.

**[www.phonicsplay.co.uk](http://www.phonicsplay.co.uk)**

**[www.familylearning.org.uk](http://www.familylearning.org.uk)**

**[www.tes.co.uk/mrthorne](http://www.tes.co.uk/mrthorne)**

A link to lots of video clips on you-tube made by a class teacher to support phonics
