At School This Week

Welcome Back

I cannot quite believe that we are about to start the summer term. The clocks have gone forward and we are looking towards the end of the school year. It was lovely to welcome the children back on Monday and see their readiness for their learning. I know that they will continue to work hard in the coming months as they continue to mature and grow.

Well Done Mrs. Davey!

Many of you will know Mrs. Davey and the important role that she does around the school for us as Learning Mentor to the children. Within her role she also spends a great deal of time offering support to parents. In addition to her skills she has worked hard over the last few months to attain a HLTA qualification. This will enable her to work as a higher level teaching assistant across the school and provide cover and support for teachers in their absence. I know that lots of you will want to congratulate her on her success and her extended role within school. She will of course still be available to pupils and parents when she is needed. Well done Mrs. Davey!

Thankyou

Thank you to all the parents and carers who attended progress meetings for their children this week. It was lovely to see so many proud parents enjoying hearing about the journey's of their children's learning. If you did not have the chance to attend a meeting please do make an appointment with your class teacher and they will be happy to find an alternative time.

Mr. Mike

Our Business Manager Mike is undertaking a charity cycle ride for Yeovil District Hospital on July 29th. Mike is in training for the 100 mile cycle event which is something he does each year to raise money for various charities he supports. If you would like to read Mike's story and would like to sponsor him his Just Giving link is below. Mike said that he is very grateful for any support. Thank you.

Messages from the Office

Welcome to Scott Carpenter: Thank you for the patience and support that you have shown Scott Carpenter this week. He is settling in well to his new role but as you can imagine there is a lot for him to learn. The office has been through a huge period of change and we welcome your feedback on any improvements that we can make going forward.

School Trip: Thank you for all the prompt payments that have been made for the Year 1 and Year 2 trip to SS Great Britain. If you have not yet completed your reply slip please do so and put it in a named envelope in the office post box.

After School Clubs: Please remember that after school clubs will be starting again on Monday. We still have places left in all of our clubs. Mrs. Honeywill was inundated by Year 2 pupils wanting to take part in her Forest School club. We are sorry that we re not able to find places for all of you. It just shows how much the children love Forest School!

Messages from the Teachers

Miss Turnbull

Many of you will have noticed that Miss Turnbull who has been working closely with Mrs. Flint in Year 2 for the last couple of years has not been in school for some time now. Miss Turnbull has not been at school due to ill health. She is very sad not to be returning as she has thoroughly enjoyed her time at Hindhayes, working with the children, seeing them progress and be the best little people they can be. Mrs. Flint has already passed on to the children that Miss Turnbull will miss each and every one of you. We also thank her for her time and commitment to her role with us.

Future Events

May Fair : The next PTFA event will be our Summer Fayre which will this year take place in May, on Saturday 19th. Please put the date in your diary and let us know if you are able to help.
