At School This Week

Transition

The children had a great first day in their new classes on Wednesday this week. They all moved confidently to meet their new teacher and in some cases new class mates. Our Reception children moved into Year 1 with the support of their existing peers. This really helped them to embrace the change and demonstrate a have a go attitude. I am so proud of the Year 1 pupils who all went in different directions to form new class groups for next years Year 2 classes. This is the first time in two years that the children will be working alongside new faces and they did amazingly. For the few that have had a wobble there is still time before the end of the summer term to come back together as we run our end of year three day summer transition project on the 18th, 19th and 20th of July. On these three days please drop off and collect your child to their new classes e.g. current Cherry pupils should be dropped and collected from their new class with Mrs. Simmonds. As a stimulus for these three days the children will be wowed with a production of Charlotte's Web.

Our Year 2 pupils also did us proud! There have been excellent reports from Elmhurst about the attitudes and behaviors of the children. Mrs. Prime sent a message to say what lovely children they were and Mrs. Edwards also said how impressed she was with them. On the 18th, 19th and 20th of July these pupils will be working on their end of Year assembly under the direction of Mrs. Flint and the Reception class teachers. Please can Orchard class be dropped off and collected from Mrs Keene (Reception doors), Birch class to Miss Seaward (reception doors) and Hawthorn class to Miss Lane (Blue door by back gate entrance)

Any questions regarding transition, new classes or the end of term arrangements please check with the school office or your class teacher.

At School Next Week

Sports Day and Green Bank Swimming

We are looking forward to seeing you all on Thursday 12th July in the afternoon for our annual Sports Day. Please feel free to join us from 12.00p.m. with a family picnic the afternoon races will then start at 1.00 p.m. Once the races have finished the children will be free to go home once they have been signed out with the class teacher. Please ensure that the children come to school dressed in their PE kits and covered in sun cream with lots of water and wearing a hat. The children will bring their PE kits home on Wednesday afternoon so that you have them. We will be watching the weather in case it is going to be too hot!

On Friday 13th of July in the morning we will then be having our summer fun swim. Children will need a full swimming kit and arm bands (please blow them up before coming to school). Hopefully this will also be a lovely sunny day so hats and sun-cream and water please.

Lets Celebrate

Congratulations once again to all those pupils who have achieved so well in their learning this week and have been chosen to receive certificates in next Friday's assembly at 2.30pm. We look forward to seeing the parents of the following pupils:

Work of the week: Charley Maunders/Lily-May Cattermole & Alainey Moran/Amaia Valentin & Poppy Stone/Willow-Eve Owen & Felicity Mobbs/Kaydn Extance & Florence Turner/Ella-Grace Tully & Ollie Hall/George Ware & Osker Guy-Gibbons/Daisie Harmon & Eben Pople/Nikita Manning-Bartlett & Sidney Cady/Conner Collard

Learning Powers: Flynn Wakefield-Vowles/Leon Gibbons & Jessica Cook/Molly Bayldon-Abbott & Tyler Wigley/Harvey Reeves & Jessica Jorda/James Tarr & Betsy Gamble/Daisy Russell & Ada Hole/Oliver Larkman & Alfie Dorber/Antonia Iles & Lois Durston/Alannah Pope & Bertie Parry/Tyler Hiscox

Highest weekly attendance: Sycamore was the class with the highest weekly attendance and as a reward for achieving the highest attendance, Bonnie, our school donkey will be going home with Isaac Churchill.

Value: Simplicity and Freedom

Learning Behaviour: Loving learning and using your imagination

Messages from the Office

School Gate

The school gates have continued to test us this week. The damage that was repaired has now been fixed and a new system has been installed however a difficulty with the cabling has left the timer working intermittently. It should all be working reliably from Monday. Please do not push on the pedestrian gate as this can cause the gate to stick. Thanks once again for your patience this week.

Car Parking

We have received a polite request from the Victoria Club concerning parking on sports day. The Victoria Club will also be holding an event that clashes with our sports day. They have kindly asked that our parents DO NOT use the grassed over flow car park and please do not move the bollards they will be putting in place. Thank you for your understanding.

Messages from the Teachers

Forest School:

Please can all parents remember to provide the appropriate clothing for forest school. Whilst we are not in an established woodland we are still out with the children in an area of the school grounds that has been cultivated to be as woodland like as possible. Sandals and summer dresses are not appropriate nor is going to forest school in school uniform. Sadly, children who do not have the appropriate clothing should not be participating in forest school. Thank you for providing old and suitable clothing.

Future Events

Year 2 Leavers Assembly—Friday July 20th 9.05 a.m.

The end of term leavers assembly will be held in the hall for all parents and careers who wish to attend. This is always a lovely event where we get to celebrate the children and their achievements during the time that they have been at Hindhayes. We hope that you are able to join us to say goodbye to an amazing group of pupils.
