At School This Week

Sporting Stars...didn't they do well!

We are so proud of the children for their sporting achievements this week! They all tried their hardest to run, jump, throw, skip, hop, cycle, aim, shoot and neigh (!) their way through the range of sporting activities planned by our own Sporty Spice, Mrs. Honeywill. Thank you to all the supporters who came to cheer the children on during the competitive races in the afternoon. Whilst it was short and sweet due to the forecasted weather we hope that everyone got to see their little person aiming for their own personal best.

At School Next Week

Transition 18th, 19th and 20th July 2018 :Please remember that the children will be working in their September classes on Wednesday, Thursday and Friday next week and need to be dropped off and collected from their new classrooms. The Reception teachers are looking forward to working with the Year 2's . You will recall from last week's newsletter that Orchard class will be with Mrs Keene (Reception doors), Birch class to Miss Seaward (Reception doors) and Hawthorn class with Miss Lane (Blue doors by the back gate entrance).

Leavers Assembly: Friday 20th July 2018 : The Year 2 pupils are looking forward to sharing their leavers assembly with parents and carers at 9.15 on Friday morning next week. They have been working hard learning new songs to delight you with. Please remember to bring your tissues as this is always an emotional morning.

Lets Celebrate

Congratulations once again to all those pupils this year who have been awarded learning powers and work of the week! We think that all the children have a lot to celebrate at Hindhayes. As a whole school our pupils try their best, work hard, help others and because of this they improve in all areas of the curriculum. Through our celebration assemblies this year we have recognised the efforts of our pupils in maths, literacy, PE, art, personal and social development, history, music and geography as well as within the library, forest school and outside of school. What a talented group of children!

There will be no celebration assembly on Friday afternoon instead we will be holding our end of year celebration assembly on Monday 23rd July at 9.15. a.m. During this assembly we will be awarding our annual governors awards as well as the termly Head Teacher awards. Teachers will also then be recognising pupils who have strengths in particular subject areas through our annual curriculum awards. The parents of the following pupils are invited to attend. If possible please can you keep the children being given the awards a secret. Thank you. Orchard was the class with the highest weekly attendance and as a reward for achieving the highest attendance, Bonnie, our school donkey will be going home with Lily Kwan.

Governors Awards:

Emily Tazewell, Oskar Guy-Gibbons, Lily Harrison, Lola Robinson, Grace Philips, Jacob Hunter, Lily-May Cattermole, Harvey Reeves, Eva Hislop

Head Teachers Awards:

Lexie Harmon, Oscar Nutt, Lily Harrison, Callum York Rivers, Zara Metcalfe-Martin, Betsy Gamble, Cohen Cooper-Farrington, Sonny Goodland, Tommy Chinnock

Messages from the Office

Fostering in Somerset : Make a child feel like they belong

We are looking for foster carers in Somerset right now, to offer our children stable, nurturing homes. Foster carers make a real difference to children's lives. They help them through tough times and give them the support they need to achieve their potential.. **There are nearly 500 children in care who need safe and stable homes. Could you offer a child that foster home? We offer you a competitive fee, great training, support and extra rewards.**

Messages from the Teachers

THE READING AGENCY AND LIBRARIES PRESENT

The children were delighted to hear stories read by Street library volunteers this week. The librarians were encouraging the children to participate in the summer reading challenge the library runs on a regular basis for the children to join in with. Please do try to join in, it will be a great way to keep your children reading during the holidays.

Future Events

Exciting Local Events—Saturday July 21st 10.30 a.m.

Cassandra Wye will be at the Street library with tales of mischief, magic and a little bit of mayhem. This will be followed at 11.15 –12.30 by a Slime Workshop where you can make our own slime. This is a free event and all resources are provided.
