At School This Week

Welcome Back

What a wonderful start we have had to the new school year. The children have started school and are already very settled in their new classrooms. Following on from the summer transition activities, teachers have been able to get going and crack on with learning from day 1. I think all of us are feeling the early morning starts and I expect lots of us will be thankful of a restful weekend at the end of a busy first week. We have lots of exciting things planned for this school year and I know that it will be just as successful as last year!

90th Celebrations

I hope that everyone enjoyed the end of term events to celebrate the schools 90th Birthday. Pizza's and Pimms, disco's and dancing, music and magicians were the perfect way to spend a hot summers evening. I hope that you were all able to make some memories and that the children and pupils will be able to return to Hindhayes in years to come to share their experiences with our pupils of the future.

Year 2 Forest School

We are delighted to be able to offer Forest School to our Year 2 pupils this year. This will be on a Friday afternoon and will start on September 21st with Hawthorn Class. Mrs. Honeywill will send a letter out to all Year 2 parents, please look out for this in the children's book bags.

At School Next Week

Messages from the Office

Welcome to Vicki Spencer

At the end of last term we were very happy to be able to appoint Mrs. Vicki Spencer to the role of administrative assistant within the school office. Joining Mike Sales and Scott Carpenter on a Thursday and a Friday, she is really looking forward to working with Hindhayes families in the future. We know that you will all show her the same patience and consideration that you have shown to Mike and Scott as we have worked to drive the office forward after such a big period of change.

After School Clubs

After School clubs will be advertised in next weeks newsletter. Sports clubs will continue to run by our visiting sports coaches on Wednesday and Thursday between 3.00 and 4.00 p.m. and by school staff on the other afternoons.

Relief Cleaner

We are looking for an additional relief cleaner to work hours on a needs be basis. Our cleaning team work very hard at Hindhayes to ensure that the site is ready for the children every morning. When a member of the team is off it puts a great deal of pressure on to the other cleaners. If you would like some occasional hours after school please speak to Mike Sales in the school office.

Nut Warning

Please be advised due to pupils who have allergy's do not send your children in with nuts for snacks/ lunches. If you have any queries see your class teacher.

Messages from the Teachers

School Uniform

Thank you to all our families for the hard work that has gone into preparing the children for the new term. All the pupils look very smart in their crisp shirts and shiny shoes and are enjoying using their fresh backpacks and book bags. School uniform plays a huge part in bringing our school together as a community and forming our identity as a Hindhayes family.
